Dear U School Community,

Welcome to The U School. We anticipate the beginning of the 2016-2017 school year and our journey together! We have had the pleasure of personally meeting most students and families, and we all share a commitment to nurturing youth ready to face the challenges of our world.

Learning is difficult. The U School will be a place to challenge students, teachers and parents/guardians. Our approach to growing young people will place a lot of responsibility and effort in the hands of our students.

Please browse the links on our website to learn of our approach to innovative design thinking in the New High School Models for Student Success.

You will find the useful information on our website. At the top of our website page, you can scroll over various topics. For all incoming students, please go to the New Students 2016-2017 link.

For the 2016-2017 academic calendar - the first day of school is Wednesday, September 7th. Our doors open at 8:30 am for breakfast. Everyday we will begin our first class at 8:55 and the day ends at 3:59 pm.

Transpasses will be distributed during the first day of school to eligible students whose name appear on the transpass list from our district office (440 N. Broad St).

Our main office will open for registration beginning Thursday, August 18 during the hours of 9:30 am until 12:30 pm. All new students must have a parent/guardian come to the school to register before school begins! Check the website regularly for updated information.

Welcome again to The U School family!

On behalf of The U School Staff
